**ABSOLUTELY NO SILLY STRING, SHAVING CREAM OR AEROSOL CANS ON THE PREMISES AND NO COOLERS IN THE CABINS**

We do not want people to have to go out and spend money on clothes. Whatever your child wears at home will be fine. **Please do not send money or food with your child. Everything will be furnished. Your child will be given three tee shirts to wear while they attend the camp. IMPORTANT: If your child is taking any medication, requires a wheelchair, or needs any kind of help please write that information on the application. We do have medical people who will make sure that your child receives their medication according to your written instructions.**

I-Pods, MP3 players, and cell phones are discouraged for camp. A lot of effort goes into the planning of activities to encourage the children to interact with the other children and these devices interfere with that experience. All such devices being used during the camp experience will be taken by the regional coordinator and held in the cabin until the ride home. Use in the cabins is permitted and will be monitored by the child's burn buddy. **The camp will not be held responsible for any items of this nature that turn up "missing". This responsibility falls entirely on the owner of the item.** If you do not have a suitcase please put your child's belongings in a doubled paper grocery bag, or large plastic bag. **If you need a letter of an excused absence for your child's school, please contact me and I will mail it to you.**

If you need to speak to your child upon arrival at the camp, your child must call collect. Our camp is held at the Florida Elks Youth Camp, 24175 Southeast Highway 450, Umatilla, Florida 32784-8219. The telephone number is 800-523-1673; the local telephone number is 352-669-9443 and the emergency telephone number is 352-669-8480.
